

AROMATHERAPY

Aromatherapy has been recognized for centuries as having potentially profound healing and creative powers. MrSteam's AromaSteam systems and natural fragrances enrich the steam experience.

AromaSteam System

By merging oil and steam into a sensual mix, the AromaSteam System injector pump atomizes the oil and creates the perfect in-steam aromatherapy experience. MrSteam's specially-formulated oils are extracted from organic flowers and plants. Each aromatic oil offers a distinct fragrance with characteristics that may support the body's specific needs.

- The exquisite collection of MrSteam essential aroma oils are available in replaceable long-lasting one-liter (33 oz.) bottles

Aroma Oil Liter Bottle

MrSteam's Aroma Oil liter bottles are specially formulated and packaged for use with the AromaSteam system. Each aromatic oil offers a distinct fragrance with characteristic benefits:

- Eucalyptus - A deeply refreshing aroma with cleansing effects, eucalyptus may help open air passageways
- Lavender - A sweet, lightly floral scent, lavender may help soothe anxiety with its calming and restorative properties
- Evergreen - A refreshing blend of spruce, fir and pine reminiscent of a forest on a crisp morning
- Energizing Mint - A blend of mint, citrus and herbs that may stimulate and energize

- Breathe - A tropical combination that may help clear chest, nose and sinuses

These long-lasting one liter bottles (33oz) work in conjunction with the AromaSteam injector pump. The oil mixes with steam to create a rich aromatherapy experience.
